Afternoon:

- **Lunch at a Local Eatery:** Try a local café in Tobermory, such as The Mishnish, which offers a variety of dishes with a focus on local produce.

- **Visit Duart Castle:** After lunch, head to Duart Castle, the ancestral home of the Macleans. Explore the castle and its stunning grounds, and learn about the local history.

Evening:

- **Return to Oban:** Take the ferry back to Oban.

- **Dinner in Oban:** Conclude your trip with dinner at a restaurant like The Oban Seafood Hut, where you can enjoy fresh seafood in a casual setting.

- **Departure:** Depending on your travel plans, you can either spend another night in Oban or head out to your next destination.

Language Tips for Your Trip

1. **Language Considerations:** While English is predominantly spoken in Oban, you'll find that some locals may use Scottish Gaelic, particularly in more rural areas or on the Isle of Mull. It could be beneficial to learn a few basic Gaelic phrases, such as "hello" (Halò) and "thank you" (Tapadh leibh), to enhance your interactions with locals.
2. **Booking and Reservations:** Make sure to book your ferry tickets in advance, especially during peak tourist seasons. This will help avoid any last-minute language barriers or confusion at the ticket counter. Many ferry services have online booking options that are user-friendly.
3. **Dining and Dietary Needs:** If you have specific dietary requirements, it's a good idea to check menus online or call ahead to restaurants. English is widely spoken, but it helps to be clear about your needs to avoid misunderstandings.
4. **Local Tours:** When participating in tours (like the distillery or castle visits), guides will usually speak English, but if you prefer a guide who can provide information in another language, inquire ahead of time.
5. **Maps and Guides:** Consider downloading offline maps or travel guides that provide information in your preferred language. This can be helpful in navigating the area, especially when exploring the Isle of Mull.

Overall, your travel plan is satisfactory and well thought out. By incorporating these communication tips, you can ensure a smoother and more enjoyable experience during your trip. Enjoy your adventure in Oban!
